Whats up CListers,

It seems as though I'm going through a second childhood phase or is it midlife crisis? who knows, haha. Anyway very interested in super nintendo, nintendo 64, gamecube, or even the original nes. If you or anyone you know has them, shoot me an email with what you have and I may be able to give you a few bucks for them. If not, I can at least point you to someone who will. Thanks for your consideration!
