Hello,
 I am OUT RAGED, that they took down the Flag from the Confederate Solider statue !! What does the Gov. want to fly instead ? the Gay Pride Flag over the statue ?? The Flag DID NOT kill those people !! that boy did .

I use to be active with the Southern Party - and defending the Southern History was one of the goals.
 This is a WAKE up call to all people !!

We need to get active, on the phone - emails , text mess, get our message out there !
 WE PAY THEIR SALARIES AND THEY BETTER DO WHAT WE WANT ,NOT WHAT THEY WANT !
 please contact me - looking to help - assist - get proactive
 The Govt is overstepping their boundaries AGAIN !!
