

# Verizon Iphone 4 (8gb black ) (25 USD)

Location **Virginia**  
<https://www.genclassifieds.com/x-565631-z>

I have my wifes old Iphone 4 I would like to sell.

It is in very good condition, all of the buttons and functions work. We replaced the phone at least 8 months ago, and it has simply been sitting on a shelf the whole time.

Near James River high school. Also, I work near the west end / short pump and could meet around lunch time somewhere.
