

Corvair Aircooled 6cyl engine (300 USD)

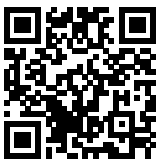

Location **Virginia**
<https://www.genclassifieds.com/x-565634-z>

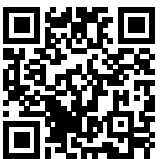

Corvair horizontally opposed air-cooled 6cyl engine. Comes with conversion instructions for homebuilt aircraft use. I am selling because now I am unable to build the homebuilt aircraft I had wished to build at one time due to health issues. Engine requires rebuilding and is suitable for homebuilt aircraft, auto-gyros, air/swamp boats, or dune.
