This horn is very nice, has seen very little use. Cosmetically, it has a few superficial scratches, one minor ding on the 2nd valve crook, & 99+ % of it's original lacquer. It is clean inside & out. It plays & presents well. Everything works. Nothing is leaky, stuck or otherwise non-functioning. Valves are quick smooth. Felts & corks are as new. It is player-ready as is. Your young prodigy will be pleased with this horn.
