I'm looking for attractive females between the age of 18 - 35yo to come do some upskirt fetish photo shoots in the Nashville area. They will be used for a niche fetish website, and you will be paid same day. Partial nudity is required, but I really just want to make the shots look very candid. If interested, please reply with name (real or stage), age, and availability for the next 2 weeks. Also, please attach at least one picture that clearly shows your figure. Don't have to have a super model, but please be in reasonably fit shape. Pay is \$200 per shoot. Look forward to hearing from!
