As skeptical as I was about this, it's legit. You can make about \$45 dollars a day by just sending and receiving text messages - and you get paid to join.

Get your money sent directly via PayPal, and again, there's no startup fee! Click on the first link below to see how it works, and click the second to see PROOF that it works! Finally, click the third link below to get started. Feel free to contact me for walk through instructions if you need them:
