Help move bed...

Location **Virginia**
https://www.genclassifieds.com/x-565749-z

Since there was a lot of responses I changed it up. I need help loading queen size bed on my truck (West Clay St) then unloading it at destination less than 2 miles away. Will take less than 1 hour. Willing to trade nice guitar amp for help (it is in great condition and worth way more then what was offered earlier) ... Needs to be done today. If interested reply to post with phone number. First to respond gets it
