Hi,

My names erin, coming from the eastcoast, will be stopping in Cheyenne Wyoming on Tuesday the 14th during drive west, could be early or late so need someone flexible with leave times. Will be heading west to Billings Montana and could use someone to share driving shifts (only if you have a license) and gas costs with. Can't be allergic to pets, can't bring pet, may be cat in car in crate, not bothersome. \$30 ride

Cheers,

Erin

Ps

I Drive a 2007 Chrysler Sebring, air conditioning is broken but windows and heat work fine
