

Beach pop band looking for a practice space to share (Nashville)

Location **Tennessee**
<https://www.genclassifieds.com/x-565798-z>

We are a beach pop/beach punk band (mostly Belmont grads) and are looking for a regular, monthly rehearsal space. The hourly space in Antioch is nice, but we're ready for something more consistent.

We've been on the waiting list at Abbott and another one for a while. We can let you know if we every hear from them.

If you already have a space and are looking for bands to pitch in, please let us know!
