## need ride SLC

Location **Utah** https://www.genclassifieds.com/x-565827-z

Hi, I'm looking to get to the Northwest String Summit music festival that my friend bought me a ticket for. Planes are too expensive, and my 97 Honda Civic can't be trusted that far, so I would love to pitch in on gas if someone is going that way around that time. The festival is in North Plains OR, July 16-19, I play mandolin and guitar, my friend plays the banjo and guitar, can't wait to pick! Thanks for reading, take care~

Mike
