Did you forget to make room reservations 6 months ago before the hotels got booked up? Well, I am a kindred spirit. I didn't post my 2 bedroom one bath house for rent till the final countdown either. This rental will sleep 6 and includes all the comforts of home in a stylish Wyoming dñ©cor. Kitchen has all your large and small appliances you might need to prepare any meal. Don't see the crñme brulee torch? Not to worry just ask, I was a caterer and will likely have what you need.

The patio is set up for dining alfresco and there is a chiminea for backyard fires as well as a charcoal grill. House is air conditioned and spacious with WiFi, cable and includes flat screens in bedrooms as well as a house rockin' stereo. Neighbors are very cool if you like it loud. Price is \$135.00 per night and includes one free round trip shuttle per day to Frontier Park or the Outlaw Saloon so you wont have to worry about the limited taxi's in Cheyenne. Email me and I will send you pictures. Call and ask for Lori. House just booked for July 17, 18 and 19. Available July 20 through 26.
