Female Pretend Artist To Draw Me (DFW)
compensation: 125

*Looking to return a unique good natured favor for my long distance girlfriend .

I need a female to do a nude drawing of me.

Canvas style drawing and does not have to be "great " or " professional" as this more tongue n cheek and about the idea rather than a great finished product.

You would only need 20-30 minutes and I can pay you 125

Location flexible although I can host.

Please send a pic and a little about you and we can get to scheduling!
