

PALM TREE PLANTING (Little Elm)

Location **Texas**
<https://www.genclassifieds.com/x-565872-z>

The name of my business is called TREES OF PARADISE. I am an organic landscaping specialist.

I have a unique landscaping opportunity to plant 21 palm trees in the Little Elm area.

I am looking for 4 experienced landscapers preferably with 1-2 years knowledge working with trees. This job will pay \$10 an hour until the job is done. The project will last for 2 to 3 days and you will get paid CASH for your services on the completion day of the project.

I am looking for people who are hard working, honest, dependable, strong enough to lift, move, and carry heavy trees and equipment as well as take direction. The project requires lots of digging as well. You must be experienced digging deep holes big enough for 12' to 14' tall large palm trees. I am looking for people who have experience working in the hot sun for several hours at a time without having any difficulty especially in 100 degree temperatures.

This is a 2-3 day project that will begin sometime during the week of July 20th.

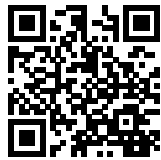

REQUIREMENTS: MUST SPEAK CLEAR ENGLISH AND HAVE RELIABLE TRANSPORTATION
