Providing Overnight care for your little one.

Sunday -Thursday

Are you looking for a safe place for your child to sleep, while your working. I'm a mother who worked nights for 5 years and I totally understand needing someone to watch your child at night. That's why I now provide this service to those families whom need overnight care.

I provide your child with a snack or dinner if needed and breakfast for \$ 100.00 a week.

I hope I can help you with your childcare needs. Please contact me if you have any questions.
