Astrid is one happy girl! She is a 1 year old, 40 lb Shepherd mix. She will take a little bit of time to come out of her shell at her forever home, but once she does she will be loyal and loving for the rest of her life. She is doing great with her house and crate training, learning to sit, loves to be brushed and playing with other dogs. She is the perfect size for any family and that most wonderful personality that a Shepherd brings.

She is up to date with all shots, spayed, and fostered in Alexandra, Va.

Operation Paws for Homes, Inc. is a RESCUE that operates throughout Northern Virginia, Maryland, DC and southern Pennsylvania; OPH is devoted to the rescue, rehabilitation and placement of animals from high kill shelters in the southern region of the United States.
