This is Rudy- we believe he is a Dachshund/Minpin mix. He looks like a dachshund on stilts! He was pulled out of a high kill shelter in Northern California.

Rudy is up to date on his shots and has been neutered. He seems to get along just fine with other dogs and he loves kids.

I am not sure if he is house broken or not! we are estimating his age to be between 2-3yrs. I think he has a lot of potential to get a great family pet! he is around 15lbs (maybe a little bit less). He enjoys playing with toys a lot and does not seem to guard toys or food from other dogs.

There is a \$20 adoption fee for Rudy and you must be willing to come pick him up in the far west.
