This gorgeous two bedroom, two bathroom condo comes with upgraded kitchen! Lots of space, large windows and modern lighting illuminate this spacious unit. This apartment is located and within walking distance to restaurants, retail, public transit and so much more. Another storage space provides a perfect place to keep a bike or any other belongings. The community is beautifully landscaped so you have awesome views from your balcony. Parking couldn't be easier with a large lot next to the building. We also have garage parking available. Contact us to plan a showing! We offer very flexible terms with everything here.
