63 year old Straight White Male wants a furnished room in Rehoboth Beach near the Tanger Outlets on Coastal HWY/Route 1-where I am employed.....Apt or House Share.....I can pay \$550-600 a month.....And am a clean,responsible,mature, trouble free roommate who both is a nice,considerate person and is looking for the same.....I had a Background Check to get my job including a Drug Screen..I seldom drink and am a outside smoker.....I will be a year round roommate-not just summer tourist.....I am looking to move in early September.....I have had both male and female roommates/housemates in the past and get along equally well with both.....I just ask that you be a nice easy going person like me because obviously nobody wants to dread coming home to a mean obnoxious roommate/housemate.....I currently live in Millsboro and am moving cause my job is in RB and I dont have a car.....So being in RB is essential after Labor Day when the buses stop running in this area.....I look forward top your reply and talking with you/meeting you.....I cannot give my cell number here because of spam etc.....I am a nice cool easy going guy and get along with all ages/male or female.....Just want a nice place to l;ive in RB.....I work 5 days a week-3pm to 10 pm and also get Social Security partial retirement.....Look forward to your reply.....
