I am a middle age+ adult female, straight, non-smoker, who is neat and tidy but not overboard about it. I have a quiet old dog that mostly sleeps and hangs with me. Sorry, but she is old so no other furry pets. My income has been severely cut and the landlord says I can rent the second bedroom. This is a small two story house/cottage with a big yard. There is a basement workbench for your use if you want. I work from home right now. You are welcome to use the yard for a garden or whatever. You are welcome to use the whole house but the room doesn't have a bed or much furniture. This is a drug free environment and I can't tolerate dealing with drunkenness, so drinking in moderation please. This is a fairly geeky environment since I like cosplay, scifi, fantasy, RPG, board games, etc.
