Retired Businessman in Hollywood, FL with over thirty (30) years creating National Associations has spent the last four (4) years developing an exciting, NEW National Association that is ready to launch nationally. Members will consist of those the other associations ignore; the poor, underprivileged, retired, and all others on fixed incomes. We wish to personally take on one more partner, of a "silent-partner" type position.

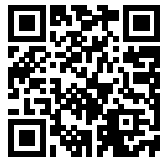

We are seeking ONE individual with \$75,000 to invest, with very little risk. If you are the right person you should be trustworthy, loyal, honest, and have a positive attitude. Your return on investment would start within ninety (90) to one hundred-twenty (120) days from investment and should be staggering and will continue monthly, indefinitely. Including you, there would be three (3) partners total, each with equal say in operations. We want you to participate and be as involved as you wish, or not at all.

If you are SERIOUSLY INTERESTED and are easy to talk to and deal with and would like to be involved with this great, soon to become, well recognized association, please reply and include your contact details including your name, phone number, e-mail and the best time and way to contact you. We will get back to you within 24 hours. Thank.
