

Looking for 2 Guest List Workers (san jose east)

Location **California**
<https://www.genclassifieds.com/x-566169-z>

I am looking to hire 2 people to work the gate for a 6th annual pool party catering around 150 people. Your duties will include: handing out wristbands for only those on the list, managing the gate, re-entry, etc... We've had too many party crashers in the past so you will be responsible for keeping out unwanted guests. But don't worry, we have not had any problems the last couple of years. This is a PRIVATE event.

This position requires a lot of sitting, so please take that into consideration.

Date: July 18, Saturday
Time: 2pm-8pm (lunch included)
Pay: \$20/hour cash at end of shift
Location: Evergreen Hills

The guests are between 25-30, therefore, we would prefer workers within that age range. Must be honest, professional, outgoing, and responsible. Female preferred but not required.

Please email with current photos. Thank.
