

Have a Suit Need to make quick 10 (mission district)

Location **California**
<https://www.genclassifieds.com/x-566175-z>

I need to have an important package of documents hand delivered to someone in the Mission District sometime tomorrow.

You'll need to look presentable, own a suit (blazer/jacket fine), be discreet, be willing to say nothing about the transaction to the recipient, and be willing to stand there for a few minutes if the recipient doesn't answer the door.
