casting call: femme fatale for film noir spoof web mini series - SF/Mission/whole city

-looking for a 21 to 29-year-old femme fatale for film noir spoof web mini series

-no experience necessary but "right look" (very long hair, luscious RED lips, long eyelashes, slender figure or something similar) and "right sound" (snotty but innocent attitude) very important.

-very simple scenes: mostly a LOOK, a PRESENCE, a SUGGESTION of something done. Very little dialogue, and little interaction with actors...

-Paid and if mini-series is successful and monetizes, will certainly share the success. Screen credit for your contribution, too, of course.

-Possibility of work on other projects.

-Please reply with whatever you think will help us pick you as our "femme fatale"!

-What we are working on is being posted on YouTube, so you'll be able to see what we're working on and decide whether it's something you'd like to participate in...

-Would like to interview potential candidates this week, if possible...
