Hola!!!

Do you want to speak Spanish this year? I can help you!

I am a native Spanish teacher. I offer ALL levels of Conversational Spanish lessons to Students, Professionals, Business People, Entertainers, Artists, Athletes, the Retiree and people interested in learning Spanish.

I offer Academic Spanish tutoring to Middle School, High School and College students and homeschoolers.

I help students with grammar, homework, standardized tests and final exams.

The students improve their Spanish class grades and learn how to speak Spanish quicker than their classmates.

New Group lessons starting soon. This Summer you will speak Spanish!!! :)

I provide the materials. I'm available weekdays and weekends.

Please reply for details. Look forward to hearing from you. Thank!!!! :)
