I am looking for someone to fill a room in my two bedroom apartment. About me: I am a fairly recent college grad from the bay area originally with a job in the Financial District at a law firm. I like to cook, explore the city, go hiking, try new restaurants and bars, hangout, go to the beach, do yoga, and am pretty much up for anything! I'm looking for a female roommate in her 20s who has similar likes and also understands personal space, getting sleep and not partying all the time during the week, and is pretty tidy. Would love to get along and become friends, so if this sounds like you please contact me! It is important though that you won't be really noisy late at night, the apartment building is filled with pretty quiet tenants who have families.

About the room/apartment:

Located in a really fun area of Clement, right off of Arguello Blvd and right next to the Laurel Heights neighborhood. Tons of fun bars and restaurants just a few blocks away, a few minutes from golden gate park, right near the 1, 38, 31, 5, 33 bus stops so super easy to get anywhere in the city. 20 minutes to downtown SF.

The room has a large window that has a view of the sunset, is a good size (could comfortably fit a queen sized bed and dresser), a walk-in closet, and your own personal bathroom.

The rest of the apartment is fully furnished, and is cozy and comfortable! It has a new kitchen with all new appliances and is roughly 1,100 square feet all together.
