Found a small black dog with some white markings on Tuesday, July 7, midday running down the alley behind Sonic near 26th and Sheridan. She is recently groomed and very sweet but there was no information on her for the owner and I hate to just dump her at the shelter since she is obviously someone's lap dog. If you think she is yours, contact me ASAP. I have 3 dogs myself and would love to have this one back in her rightful home.
