A few days ago we adopted Toby our male cocker spaniel puppy unfortunately our older dog has been very aggressive with him and we're worried she'll really hurt him so we've decided our only option is to rehome our new baby. He is 8weeks old now. And very hyper so he needs a home with another active dog or no dog at all. we've bought just about everything he needs; puppy pads, puppy food, toys, bowls, and a bed. If interested please contact Breanna at

a rehoming fee of 500 or best
