

Looking for mechanic stall (Anchorage)

Location

Alaska

<https://www.genclassifieds.com/x-566297-z>

I'm looking to rent one stall with lift in any shop or building for my own car project. I'm certified lifelong technician with full time job. I keep my work area clean and organized. I would need this at least for one month. However if it is mutually beneficial and acceptable then gladly stay for longer. Please call or email if.
