Inflatable Fishing Boat - Sevylor Fish Hunter 250

Son moved out and left his boat for me to sell.

Works great.

Details :

Fishing and hunting has never been as convenient as it is with the Sevylor Fish Hunter Boat. This 4-person inflatable boat quickly pops into shape for a trip out on the water and deflates for easy storage. The carry handles are not a joke, at only 32.8 pounds its light enough for even one person to transport by hand. The wraparound grab line makes it even easier to maneuver into the water from the shore or from a dock. Paddle/oar holders are built in for the outdoorsman who prefers manual transportation but this inflatable boat is also designed to accommodate a motor mount and an outboard motor up to 2 HP as well as 12V motors for people who like a little more leisure in their boating experience. To round out the experience, this raft comes with chafing pads, a fishing rod holder and inflatable seats. The sturdy PVC construction provides you with reliable stability while transporting up to 700 pounds. 90 day warranty included.
