

1700 2br (10332 USD)

Location **Colorado**
<https://www.genclassifieds.com/x-566411-z>

Description This is a beautiful recently updated 2 bedroom 2 bath apartment on the second floor of this building conveniently located in the Highlands. This is one of 6 very nice apartments in the building. Spacious open kitchen and living room area. Private west facing patio. 2 sizable bedrooms with good storage. Washer and dryer are located in unit. This apartment is very quiet and there is minimal street noise. There is a large private locked storage room on the ground level that is great for bikes/skis/extra furniture etc. Deep single car garage with opener located adjacent to building. Garbage/recycling included, other utilities paid by tenant. We are interested in a tenant for 12 month lease, \$1500 as damage deposit and last month's rent on signing of lease. Please email with any questions or to arrange a showing, thanks for looking. Sorry no pets, no smoking. Features Cable ready Hardwood floors Air conditioning Refrigerator Dishwasher Balcony, deck, patio Garage parking Laundry room / hookups Oven / range Heat -
