

Need Help CleaningOrganizing House (RogersLowell)

Location **Arkansas**

I've been traveling for work the past couple of weeks, then had another 2 weeks back-to-back where I've been crazy busy, and my house has become a nightmare for me. I have family coming to stay next weekend, so this is now the breaking point.

I have 2 suitcases of clothes I'm working on, tons of clean laundry that needs to be ironed and folded, downstairs needs to be dusted and mopped, guest bedroom vaccumed and fresh sheets and pillows, bathroom mirrors windexed, sinks shined up, floors mopped, etc, and I just don't have the time and/or energy to do this all this weekend.

Hoping for help today, if not tomorrow. I'll pay cash by the hour for your help and have all of the supplies -- just need

Aiming for probably 2.5 - 3 hours of work at the most, so I was thinking \$50.00 flat, regardless of how long it takes (I.e. If we finish in an hour and half, just keep it)

Thanks so much.
