I am a single, mid 40s white male. I am looking for a female that can help me at my house in north Westminster. Duties would include helping with regular household chores and also helping with tasks in my home office, sorting merchandise, shipping items, cleaning merchandise for resell, etc... And if you give a good massage that would be a major +. Pay would be \$10 per hour for regular work and \$30 per hour for massages. Cash paid at end of day. Email if interested and please include a photo.!
