Hello! Elevation Performance is in need of an automotive detailer. Our shop is located about 5 miles south of C470 on Santa Fe.

This is a commission based position. We pay between \$30 and \$60 (and sometimes more) for details. We offer everything from quick cleanings, to full concours details. The higher level detail, the higher the commission.

We are looking for someone efficient, experienced, dependable, and hard working.

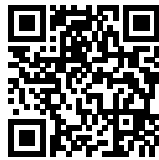

Eventually this will turn into a full time position. We are building up our clientele base right now. Some weeks we are full every day with details, other weeks, we just have a few.

We will be setting up working interviews for those interested. Please respond with either a resume, or a little information about.
