Needed is a person, artist, architect, art student, that can draw up 3 architectural renderings of a future village for little people.

- 1. An aerial view of the village
 - 2. A town center view
 - 3. A front of homes view

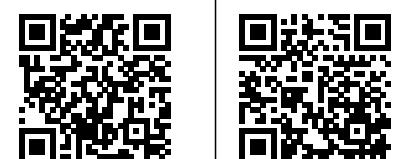

Specifications will be sent to anybody interested in drawing 3 renderings for us. There will be no payment for the initial 3 renderings, but there is a chance we might pick you to officially work for the project, and if not picked, we will at least showcase your work and name for this project.

We will be working with TV and print media to showcase this new village for little people. Once selected, you and your work will be showcased everywhere.

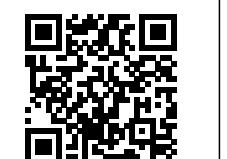

Of course you are doing 3 renderings for free for a chance to become famous. Anybody still interested please reply with your Email address so that we can Email you details.
