

1986 to 1990 Acura Legend wanted (1 USD)

Location **Alaska**
<https://www.genclassifieds.com/x-566512-z>

I am looking for a first generation Acura Legend that is between the years of 1986 to 1990. Preferably a 4-door with a standard transmission aka stick shift. If you have one or know someone that does, I'd like to get to know about it, also some pics would be awesome. Thank you for looking and have a good:)
