## JVC CAR STEREO SYSTEM

Location **Delaware** https://www.genclassifieds.com/x-566544-z

This is a NEW IN BOX car stereo system with speakers. This was given to me as a birthday present for a car I used to own that was to replace a car stereo that didn't work, but since I sold that vehicle, I no longer have use for it. It's 100% NEW AND UN OPENED IN BOX. Sells for \$109.00. It's yours for \$85.00 cash! I'm not going to sell any less than that because as stated is new and you will save 24 bucks if you were to buy it if the shelf. Read specs below:
