1995 Mustang GT Convertible. Automatic. 152000 miles. Starts and Runs ok for older car, needs plugs and a \$100 Motorcraft distributor. I'm moving and can't take it with me. It has two brand new awesome 255/45/17 tires on the back. Tires are worth \$120 a piece before mounting.

A cash offer is preferred. But if you have a old honda or toyota, or something that you think is worth it I'll consider a trade for just about anything.

Ask all questions now. This is a solid car for someone who could put a little TLC in.
