

## Gardenville friends of the 1950s (Baltimore

Location **Maryland** https://www.genclassifieds.com/x-566611-z

I would like to see or talk to some of my good friends that I knew between @1945 from the Harford Road, Hamilton to Parkville area and 1951 to 1968 from the Belair Road, Gardenville area.

I am Paul J. Sackett, I am rewriting this Jan. 15, 2015, my birthday I am, now, 77. Attended St. Dominic's, 1945 to 1951, grades 1 thru 6, then attended St. Anthony's, 1952 to 1954, grades 6 thru 8. I was in the St. Dominic's Drum & Bugle Core. And became a Boy Scouts at St. Anthony's, Troop 178.

For high school, I attended City College, Merganthaler, then a college prep that was big on English, Algebra & Geometry called "Baltimore Institute" located at that time 12 W. Madison Ave. under the auspices of B. Herbert Brown.

Then spent 2 years in the U.S. Army from S.C. to Oklahoma to Alaska from 1959 to 1961. Acquired my G.E.D. while in the Army in Alaska.

My phone number and I presently live at 236 South Duncan St, in the Patterson Park area called "Upper Fells Point".

Do you know anything about the following person? [Then please give me a call!]

Jean Anne Hoffman Cedonia, then moved to Mayfield Avenue around the Vilma area. She was a secretary for Davison Chemical Company in Curtis Bay & married a TV repair man in 1970.
