I am professional, reliable and experienced in giving an author exactly what they need to have a great looking children's book. I pride myself in being able to bring the author's stories to life in a cute colorful children's style.

Here's how I work. . .I will produce camera ready artwork to meet publishers requirements for your story. I will put each page on a special website for you, so you can see exactly how your book is shaping up. You are allowed to make any changes that you feel would help the book, or add to your story. All pages will have all the type on the pages as well. Here is an example of what i mean:

You keep all rights and own all the rights to the artwork and story. You can use the artwork for anything you want including ads, flyers and website. I am strictly work for hire.

So I hope we can work together to bring your story to life. . .and as the other authors will tell you, I don't disappear after the artwork is finished. I will help you all the way, from finding a printer, or to using a self publisher.

If you are interested in working with me, please email me your story, let me break it down into pages and give you a discounted project price. I look forward to bringing
