We rescue endangered cats in Baltimore and have many sweet cats in foster care. These cats were abandoned or discarded and living on the streets in dangerous neighborhoods where many cats have been poisoned, shot at, thrown to dogs, and/or otherwise harmed.

These are friendly, indoor cats who want a nice home. They have been fixed, vaccinated, and are healthy. If you are interested in having a cat for a companion, please respond with your phone number and we will be happy to help find you a best friend who speaks meow! We happily accept donations but there is no charge for the cat or the service - our main goal is to help save cats'.
