I am leaving soon to join the military and I cannot keep my pups. They are neutered and up to date on vaccines. They will not need any vaccines till Feb. of next year.

They are brothers. I'd like to rehome them together but seperate will do fine.

I just ask that you have a fenced yard and the time to give love and care for the littles. They are very sweet and love to snuggle.

They are \$250 to rehome seperate, if you take them both the rehome fee is \$350.00

They come with their stainless steel bowls and holder, box of food (will last you about a month and a half), Blankets, clothes, and toys.

They are 9 months old. Had Rabies, 4 Dhpvck done, 3 dewormers, 1 Bordetella vax.
