Two guinea pigs need a good home! They are long haired little critters that are absolutely adorable. Father and son pair. They can't be separated. They come with a cage, little house, food dishes, water bottle, toys, and a full wardrobe!! They are basically turn key little guys! My ten year old would like \$50 adoption fee. She bought these and we found out we just don't have the time to take care of them. Please text or call thank!
