Looking for a home for this adorable and loving kitten.

I believe it is a boy, unsure of the exact age but it is eating canned food and a little bit of hard food.

I found it crying out in the middle of the street after nearly hitting it, one of its siblings had already been hit by someone else. It is very sweet! It loves to be held and cuddled, even in the car it just lied on my shoulder and cuddled against my neck, purring like crazy.

It gets along great with my cats and dog! It seems to love every person it meets. If you have any other questions I will answer them as best as i can. I would really like to find it a wonderful and loving home.

Asking \$20 for the adoption fee to help ensure a good home. All I truly care is that it gets a loving forever.
