I have two openings in my small in-home daycare. Two of our friends are heading off to school, so we are excited to make some new friends! Infants welcome. I am an experienced mother with a bachelors degree in Childcare and Development. Non-smoker. I have almost 20 years experience working with young children including working in both preschool and daycare environments. I have ran my own in-home daycare for 3 years. Morning snack, lunch, and afternoon snack included. Entire lower level dedicated to childcare. We also have a very large fenced backyard and love to play outside. We love doing crafts and having a fun day learning while we play. I would love to care for your little one and provide him/her a loving "home away from home".

My name is Kristin. Please contact me via e-mail, text, or phone for more information and to receive my information packet. I look forward to hearing from!
