We are looking for finish carpenters for new home construction.

We prefer you to have some experience in:

- Setting and casing doors
- Setting cabinets
- Installing base trim and shoe molding
- Installing door & cabinet hardware .

Still reply if you have worked in the Carpentry Industry and are willing to learn from a Master Tradesman. Pay will increase as your skills improve.

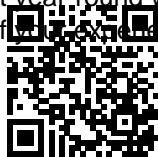

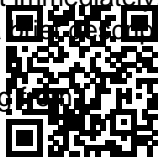

You must be:

- In good physical condition.
- Open-minded and able to take advise.
- Available to work 5-6 days a week.
- Work is all over the tri-county area

Reliable transportation, valid driver's license and some tools are necessary.

If you are available to start immediately, want year-round work with a steady flow of income paying every week then respond with your name and number for an interview. Please include a brief description of your experience.

We look forward to hearing from you.
