Dear Sweet Christian Family,
It has been a few weeks since my last post, as I assume that you are still on your road trip with your kids home from college, Connie your black lab, and Fancy Pants...

I would be lying if I said I didn't miss Fancy Pants like crazy :(Giving her up was something I had to do for the sake of my landlord/roommate... I both dream & think about her all of the time... As I mentioned previously, I had her since she was eight weeks old, and put in a great deal of time training her as a newborn puppy... She and I had a wonderful connection...

At the very least, can you please email me back, send pictures, and let me know how she is doing? And if for any reason she hasn't meshed real well with your family, don't hesitate to bring her back to me for good... Bless all of your hearts & thank you for being so good to her
Christina A.K.A.
