I made a free board game called "Better Me - The Game of Growth and Friendship" to let people learn and grow together. It uses the power of accountability to encourage players to take real world action to better their lives. You'll write down your commitments for the REAL WORLD after the game. Things like getting more sleeping, encouraging someone who's feeling down, spending time in nature, etc. It's free to play, just go to <http://www.BetterMeGame.com> and print the board. No email or registration required.

Enjoy :)
