I am pre-approving drivers immediately.

If you have driven for LYFT or SIDECAR and have never driven for UBER I can get you a \$900.00 sign on bonus after completing 20 rides on the UBER platform. If you have never driven for Uber I can get you a \$550.00 bonus after completing 20 rides on the UBER platform. You also get paid from the 20 fares too! This can be done in one day! To qualify for these bonuses I have to send you a personal invitation which will direct you to the UBER portal.

If you have applied for Uber in the past and were denied for vehicle inspection issues do not hesitate to contact me. In the past I have had vehicles approved that failed the initial inspection or were not listed on the Uber platform.

If you have never heard of UBER before please watch this video first
<https://www.youtube.com/watch?v=GWX9UoJbbJw> .

If this is a position you are interested in send me an e-mail with the best contact number and I will get back to you promptly. We can also meet in person, preferably at the UBER VEHICLE INSPECTION LOT. I will also be able to get you the driver's starter kit, bonuses applied to your account, free vehicle inspection, and many more perks. I thank you in advance for reading this posting.
