Creative Filmmakers Wanted

Location California https://www.genclassifieds.com/x-566716-z

We are Cinistream.com, an upcoming short and independent film streaming site. We're currently adding films to our streaming library and want to see yours! This limited time offer includes waiving the \$50 festival-style upload fee, so there is no cost to you!

Cinistream's goal is to help empower filmmakers by offering them opportunities to have their films viewed by worldwide audiences, and the ability to earn money with their projects so they can continue doing what they love; making movies.

Audiences can watch for free, pay-per-view or with a subscription, empowering them to choose how they interact with the content, and to support independent film!

Who we are looking for:

Innovative filmmakers and production companies interested in making money by streaming their films online to worldwide audiences.

We are looking for:

- -Films longer than 5 minutes
- -Professional short or feature length independent films
- -Graduate or thesis films
- -High quality (professional quality) student films
